

## Solar Park

Solar Park is my favourite park!

There are a lot of things to play with in this park. The green roundabout is big. The yellow see-saw is long. The high monkey bars are colourful. The slide is steep and smooth. It is fun to play in this park.

When we play in this park, we must follow the rules. We cannot pick the flowers. We cannot spit. We cannot jump on the see-saw.

I love Solar Park!
