## **My Summer Vacation**

During the summer holidays, I spent the weekends with my family. I visited my grandparents and met up with my relatives on Saturdays. We also went to a restaurant on Sunday mornings to enjoy Chinese tea. We went fishing on Sunday afternoons.

I also had swimming practice on Mondays and Thursdays. After practice, I studied hard with my tutor. I enjoyed it very much. In the evening, we had a buffet dinner at the hotel. We ate seafood and roast chicken. The dinner was delicious. I hope I can go to the Gold Coast again with my family.
