

Adopting a Pet

One day, Kevin saw a poster. It was about Pet Adoption Day. Kevin wanted to adopt a dog.

On 12th October, Kevin and his mom went to the Pet Adoption Centre. They saw different kinds of animals, including dogs, cats and birds. Kevin liked the biggest dog because he thought it could protect him. However, his mom said, 'No, we can't adopt it. It is such a big dog!'

After that, they saw some cats. Kevin's mom liked the smallest cat because it was lovely. Unfortunately, Kevin didn't like it.

Finally, Kevin's mom agreed to adopt the dog because Kevin promised to take good care of it. They both felt happy. It was a joyful day for Kevin.
