My Favourite Place in Hong Kong

My favourite place in Hong Kong is Disneyland. It is on Lantau Island. I can go there by bus or by train. I usually go there with my family and friends.

I like Disneyland for many reasons. I take a lot of photos there. I like taking photos with the cartoon characters such as Mickey Mouse and Buzz. I like going on the rides, too. They are very exciting. The food in Disneyland is yummy. The views at night are wonderful.

Disneyland is a great place. I want to go again soon!
