

Adopting a Pet

One day, Kevin saw a leaflet. It was about Pet Adoption Day. Kevin wanted to have a dog so he went there with his mum.

They saw a lot of pets. Kevin liked a big dog. 'I want to adopt this big dog,' said Kevin. 'Sorry! It is too big,' said his mum. Kevin's mum liked the kitten because it was cute. 'The kitten is smaller than the dog,' said his mum.

Finally, Kevin's mum adopted both a cat and a dog for Kevin. Kevin was happy to have new pets.
