

Adopting a Pet

Kevin saw a leaflet about Pet Adoption Day. He wanted to have a dog so Mum went to the centre with him.

They arrived at the centre at 2 pm. Kevin saw a big dog and he loved it. But it was too big. Mum said, 'No. Sorry.' Kevin was upset.

Later, they saw some cats. Mum would love to have a cat but Kevin did not like cats.

Finally, they saw some hamsters. They both liked hamsters. They agreed to bring two hamsters home.
