

What an Experience!

Today, I went to the cinema with Aunt Karen. We watched the film Super Joe because the actor is so cool.

There was a long queue at the ticket counter. We waited for thirty minutes to buy the tickets.

We bought popcorn and soft drinks at the snack counter.

During the movie, I suddenly felt stomach pain. I felt sick so I ran into the washroom quickly.

I didn't watch the rest of the movie. I went to the hospital to see a doctor. I was unhappy.
